August 1, 2018

Dear 5-12 Grade Parents,

Hello! I hope you are all having a great summer. It is hard to believe another season of fall sports and activities is right around the corner. This letter is being sent to make you aware of some important dates and information regarding fall extra-curricular activities for students in grades 5-12. I have included in this packet, the starting dates and times for both high school and middle school fall activities. **Please remember that all athletes must obtain a physical before they can practice or participate in any activity. The parent must also sign the physical before a doctor can evaluate the student-athlete.**

In addition to the physical, **all 5-12 grade student athletes and their parents are required to read and sign the Concussion Statement** before an athlete may practice. This concussion form as well as all other required paperwork/signature forms can be found and printed from the athletics page via the Red Lodge school website. We will also have them available at the parent/athlete meetings. If possible, we ask that the participation fee and these required forms/signature pages be turned in at parent/athlete meetings. If not, understand all required signature forms and fees must be paid and turned in no later than Thursday, August 23<sup>rd</sup>.

Parent/Athlete meetings for (9-12) and (5-8) will be held on separate dates for middle school and high school activities. **Attendance by a parent and athlete is required in order for your son/daughter to participate in games/competition.** A schedule of when those parent meetings will take place as well as dates/times for the first day practice is on the backside of this letter. In addition to going over important policies and procedures, coaches will also have a brief meeting with parents for their individual sport to discuss the upcoming season, review their expectations, and answer any questions you may have.

Please visit the **athletics page on the school website** as it has available 2018-2019 sports schedules, the Red Lodge School Activities handbook, and a PDF with all needed signature pages that you can print off before the parent/athlete meetings if you so choose. The one time participation fee for the 2018-2019 school year is \$60 per athlete with a cap at \$150 per family if you have 3 kids or more participating in activities this year!

**Activity Fee:                      \$60 per athlete (grades 5-12)    Maximum of \$150 per family**

I am looking forward to another great year of Red Lodge Ram Activities! Have a great rest of the summer.

Sincerely,

Jason Reimer  
Middle School Principal / 5-12 Activities Director
